Don't just buy a scale...

Whether you're looking to buying a new scale or need service on your existing scale, A Better Weigh Scale is dedicated to meeting your weighing needs. Purchasing and maintaining accurate and dependable weighing equipment can play a vital role in your operations, affecting productivity, profitability and peace of mind.

With operations based in the Rogue Valley and over 30 years experience, we offer local sales, service and rentals to meet most weighing and force measurement requirements. Our commitment to customer service is first and foremost based on finding a solution to your needs efficiently and economically, rather than "Just selling you a scale".

A Better Weigh Scale offers a wide range scales to fit the needs of any application, commercial, retail or personal. We also perform repairs, testing and calibration on existing scales, from mechanical beams to the latest in electronics.

So if you're looking to purchase a new scale, or question the reliability of your existing scale, please give us a call. We look forward to serving your needs.
